BUILD YOUR OWN SPONGEBOB

- > Write a personal message on SpongeBob's placard explaining why you want BP to back off the Amazon Reef.
- > Slice the little grey lines with a craft knife. Always ask for a grown-up when using sharp tools!
- > Carefully cut out SpongeBob and his feet using a craft knife or scissors, then fold along the dotted lines.
- > Insert the black flaps into the grey slits, matching the letters as you go. Your mini SpongeBob is ready!

Thanks for doing your bit to defend the Amazon Reef.

WIN!

A Greenpeace t-shirt is up for grabs for the person who can send us a photo of SpongeBob protesting in the best location. We're hoping to see him pop up at BP petrol stations, events and landmarks all over the country!

To enter the competition, simply take a photo of SpongeBob in your chosen location and send it to: spongebob.uk@greenpeace.org

Produced by Greenpeace UK. For competition T&Cs please visit: <https://secure.greenpeace.org.uk/reef-competition-terms>
